Morphogenesis wins AIT Award 2012

New Delhi-based firm Morphogenesis won the AIT Award 2012, Germany for Chettinad Health City Auditorium, Chennai in the Public Buildings (Interior category). This project was selected from 1600 entries from across 42 countries. The award ceremony took place on 19th of April in the Congress Centre at Frankfurter Messe. The AIT Award has emerged as one of the largest competitions for architecture and interior design worldwide. The Architectural Magazine AIT, by Stuttgart-based Verlagsanstalt Alexander Koch ranks among Europe's most renowned architectural magazines and, at the age of 122 years, is also one of the oldest. The award ceremony took place at the Congress Centre at Frankfurter Messe. The project also won the 8th Saint-Gobain Gypsum International Trophy, London. The Saint-Gobain Gypsum International Trophy is a unique gypsum-industry event and, is one of the largest international competitions.
