

## Corporate Office for India Glycols

The office design for the corporate office for India Glycols embodies the issues concerning the workplace today, and explores the paradigm of the office space as a social activity. Sited in a non-contextual suburban area of Delhi, the setting led to the development of an introverted scheme that would address environmental and socio-economic issues from first principles. As is the nature of most custom designed corporate developments, the building had to exemplify the identity and corporate ideology of equity and transparency in the workplace as an integral part of the architectural vocabulary. Conceived as a solid perimeter scheme with a more fluid interior, the morphology blurs the interface between the inside and outside. The site surroundings and context along with an optimum enclosed square volume enabled a built form with minimum exposed surface area.
